

REMARKS

In response to the Restriction Requirement having a mailing date of April 2, 2009, Applicant hereby elects, without traverse, Group 1 drawn to an exposure device. The claims encompassing the elected invention are Claims 2-27, 29-36, 38 and 40-43. Claim 37 is withdrawn. Claims 1, 28 and 39 are canceled. Claim 43 has been added.

While preparing this amendment it was noted that the previous numbering of Claims 42 and 43 were inadvertently done incorrectly. Claim 42 should have been marked as "41" and Claim 43 should have been marked as "42". The preliminary amendment herein corrects the mistaken claim numbering.

Entry of the above preliminary amendment is respectfully requested. Applicant respectfully requests an action on the merits.

Respectfully submitted,

/Charles I. Sherman/
